

Having problems with students reading 2-3-4-5, even six years below grade level?

Having problems with discipline, cussing, insolence, fighting, refusing work, sleeping in class?

- Preventing student misbehaviors (cussing, insolence, fights, etc.)
- Classroom management – Indian ways
- Misbehavior “on-the-spot” interventions
- Eliminate disruptive behavior in one week
- Learning consequences instead of punishments
- Teaching students how to maximize multi-sensory self-teaching
- How to teach your students to teach themselves
- Overcoming undiagnosed visual/auditory barriers to learning
- Safely dealing with fights and armed students
