

Attendance – attendance – attendance – attendance – attendance

- Indian grads fail in basics
- Making education important
- The Big One – The Scary One – The Politically Incorrect - The Rez Entertainment
- Methods of student-driven attendance
- Every minute of education time must be preserved.
- Respect for teaching
- Step-by-step to the old ways of education
- Making consequences a learning activity
- Best way to learn ... “Self-Teach”
- Staff appearances
- Like a library, quiet must prevail
- Ownership and pride
- Reasons why Native students “bomb out” the first year in college
